

KR

KAMRAN RAHMANI - FullStack Developer

Summary

Enthusiastic and dedicated Frontend developer, eager to deliver high-quality web applications and user interfaces. With 4 years of professional experience, I have a strong understanding of frontend development principles and a keen eye for details. I enjoy collaborating with dynamic and fast-paced teams to solve challenging problems that lead to business growth. Proficient in HTML, CSS, JavaScript and React.js, I am committed to stay up-to-date with the latest industry trends and technologies.

Work History

Perla - Frontend Developer

Washington-Remote
